How to works

Below you can see Sorting Settings, You can enable the option which sorting you want to add in category page.

The screenshot shows the LUMA e-commerce interface for a category page. At the top left is the LUMA logo. At the top right is a search bar with the text "Search entire store here..." and a shopping cart icon. Below the search bar is a breadcrumb trail: "Home > Category 1". The main heading is "Category 1".

On the left side, there are two sections:

- Compare Products:** Shows "1 Item" and "You have no items to compare."
- My Wish List:** Shows "You have no items in your wish list."

On the right side, there is a "Sort By" dropdown menu. A red arrow points to the "Position" option, which is highlighted in blue. The dropdown menu lists the following sorting options:

- Position
- Product Name
- Price
- Best Viewed
- Best Sellers
- Most Recent
- Popular in Wishlist
- Quantity
- Discount
- Rating
- Reviews Count

Red text above the dropdown menu reads: "New Attributes are added in sorting option list".
